1. I am Me. I am Me, Ted. I am Me, you are you, you are Me and I am you. You were birthed forth from Me, I am your Father, I am your King, your soon coming King, your friend, your ruler, your master, the lifter of your head, your bright and morning star.
2. Opportunity, and every opportunity that exists, exists in Me, for you are I Am and I Am. Are you? Yes. I am I AM and you are I Am, and I'm showing you so clearly, leading you, leading you, holding your hand, taking you, walking My path together, sharing My words with you of who I am, what I am, how I operate, how I love, and how you are My love, how the fullness of the Godhead dwells bodily in you, you who let Me, you who are not afraid of Me, you who will not fear Me, fear My voice, fear My pain and suffering, the pain and suffering that comes from being a man of sorrows acquainted with grief, knowing the Most High so intimately and walking in two worlds at once. I Am, you do, you are, you Me, and I do.
3. You are grasping, you are seeking, you are piercing the veil, you have pierced the veil, you are behind the veil and you come into the veil with Me now, as often as you want.
4. You live behind the veil with Me, you never leave Me, I never leave you. Why would you leave Me? I am in you and I seek you, I seek you more, I seek you more, I seek you more to know Me, to know My fullness, to walk in My authority, My authority given, My authority manifested, My authority authorized, authority-ized, deputizing all to walk in My authority, who will walk in Me and fear not. I love you. I give you Me.
5. I give you Me, now walk forth in My anointing, walk forth in My calling and say who I am and say who you are. Say what I have done for you. Say what I have shown you. Say what I am saying to you. Say who they are. Say who I said they are. **Show them Me and let them reside in Me at levels transcendent of circumstances which loom to represent reality**.
6. I am reality. I am Me and everything exists in Me. Shall the clay say to the potter fashion me thus, or--what would you like me to be, what would you like me to do, how would you like me to serve, how can I please you, how can I do more for you, what else can I do for you?
7. Do I not fill heaven and earth? says the Lord—Me, Jeremiah 23:24. Do I not fill the heaven and the earth? Are you not Me? Did I not make you in My image? Did it not please Me to give all of my fullness to My Son? [Col. 1:19], [Col. 2:9]. And in making

Him make you? [Col. 2:10] And in making you make Him, and all of us being one together?

8. See Me, see you; **see Me see you; see you see Me**, please see Me.

9. See Me and how I fashioned you so carefully to represent Me and to be Me in the earth; to do what I like to do, to share, to relate, to commune, to create, to care, to commune, to live, to foster, to nourish, to nurture, to be Me to each other, letting Me come forth in joy and laughter, care and concern, the 'good Samaritan' and so very much more, so much more, so very much more. I love you and I give you Me.

10. London explosive. See Me. See Me come and explode who I am, who I am, who I am in your words and what I do there with My people, My people who have prayed and sought Me in the wee hours, My people who want more, who know there is more and who after it are, coming together in unity, coming together and differences none, setting aside nuances of doctrine and divisive words and creations of man—enemies—not of Me. I love you.

11. I come and I call and I confirm that I am in these words and that I am Me-ing My Mine, and you will increasingly know what Me-ing My Mine is—Me, Mine, Me-ing Mine and being Mine and being Me. Oh, you will know, you will know so ultimately, you will know so articulately, and you will commune it on the orders of highest thinking, highest communication, and transcendent levels and wave lengths of only Me, being transmitted corporately, individually, and in creations yet of Me to be created. I love you.

12. I love My white towers, schools of only Me, residing in Me—faculty, students, piercing passionately, pursuing and piercing the veils of doctrine and dogmas that have delayed and diverted and destroyed many warriors—centuries; electric grids all, so much more, so much more powerful, but representing Me—I love you—My electrons, protons, and neutrons; My atoms and gluons; organs and organelles of only Me. I love you. I love you. I love you.

13. See Me in you, and in Me reside, and let Me forth—flow forth, like this, unrestricted, more, more please, more please, please more—messages long, chapters, books flowing forth from My anointed, My simple, My complex, simply those who let Me speak, complex-ing, complex-i-tize-ing not. —My who I am, but revealing Me in dignity and delivery of truths, articulately communicating in power and meekness displayed, personified, meekness'd, drink-offering'd ones who taint not the message of Me before My people, seeking no power and no glory in themselves for themselves, on their face have been, on their face remain, and allow Me to correct, correct, discipline and judge and correct, and correct and manifoldly multiply what I am doing with them, through them, and speaking the words of My mouth through their mouth.

14. I come now and I call for purity.

15. I call for anxious ones not, panic none, in the days that come, and the headlines that appear.

16. See Me. See Me in you. See Me, the Rock of ages, the Rock of all ages, the Rock of the aged, the young, the rich and the poor, those in peace and those in war. I am the

Rock. I am your Rock. I am Christ Jesus, Jesus the Christ, the living, speaking God that you speak of so often and I like the way you call Me the living, speaking Christ. I live and I speak and I am speaking through My people and I am Me-ing them as I call them to My side, being one with them in intimacy, knowing and being known, knowing and being known with them, by them, and them being known in knowing My people—My people of every faith, doctrine, cult, and label conjurable.

17. I love My creation, the work of My hands and I am coming, I am coming increasingly. Prepare. Yes, write. Move forward, move forth, hire and be not afraid. All resources are yours, I have told you over and over and over. Profit none, but prophet Me and I will profit and all will profit and resource lack will never be.

18. I thank you, I love you, I bless you, I give you this day. I thank your helpers—I pay royally—royal dividends and so much more, lifting the head of My helpers, lifting the head of your helpers, rocketing into orbit now. Watch Me. Seat belts none. G-force of only Me. I love you. I love you. I love you. I give you Me.

19. Thank you for pounding [1].

20. Thank you for coming into My Word. Thank you for letting Me show you, connect you, with all the tissue, the organs, the ligaments, the sinew, that is already revealed in My Word, and expound and exponentiate you in foundations already laid, and foundations now which rocket off—circularly and diametrically opposed to the doctrines and dogmas of most men.

21. I love you and I am freeing many in My thinking, their thinking, our thinking—one—liberty, freedom, justice, equity, mercy, respect, honor, deferring, bowing, integrity-permeating, spiritually discerning, all-encompassing, displaying Me.

22. Integrity of nations see overturned, as integrity-less they have operated; and integrity coming in those who will integrity in Me, with Me being their integrity, and My words and My righteousness being the foundation for their land, their laws, and their freedom-seeking. I love you and I give you Me.

23. Nation building I am, you are, we are—one. I love you. Go. Go forth, glean, gleam, grow, and confirm those around you who are seeking Me. I love you.

24. August comes, August well, very well, very good, very nice, explosive and exponential for Me. I thank you. Three be. The "three-be's" come. The "three-be's" last, exponentiated of only Me. I love you. I love you. I love you and I give you Me. Enjoy Me.

25. Thank you for this day and what you have pierced—pierce Me with your love, your love which makes Me laugh, smile, and know who I am in you, that I am, and that I am in you as of I Am, and that I am I Am, and that you are I Am; and that I am reflecting Myself in My people: joy and authority, and who aren't afraid of Me, who aren't afraid of being discombobulated momentarily, puzzled, mocked or ridiculed for My name sake, but will come back and as you, on your face, sinew Me in the words that I have given you together with My already-revealed knowledge and wisdom to gain the understanding to articulate for that which is of Me. I love you. I love you.

26. Joy today in what I have done in Barbi, in you, in your family (laughter) and in My family, Ted, and in My family, My family, My family. Thank you for caring about My family. Thank you for caring about the curses, those who curse Me, and those who even curse you, and love them, being Me—being Me before them, being Me, My love standing there coming through your eyes, My love coming through your words, My values, My Me operationalized before them, My creation Me'd, My creation seeing Me. I love you. Go forth in greater tenacity, joy and laughter. I love you. I love you.

27. Tim of Me, see. See Me. See Me.

28. I love you, My all, this day—My glorification of the glory that you have given to Me—I glorify you. Thank you for every word spoken on My behalf, every smile that you have given My body, every touch, every pat of your hand, every prayer, every dollar, every moment of intercession for others. I thank you. I thank you for every moment you have concentrated on Me and focused on Me. I thank you for every time you took communion, the body, the blood, representations of Me, and ingest Me as life, breath, elements of life. Thank you. Thank you for overcoming time and resources thought lacked to be in My presence. I enforce, reinforce, strengthen you now in My Me in you, so that you are Me increasingly, increasingly, increasingly Me, reflecting Me, My Kingdom here on earth, now, today. Thank you. Amen
